Herrera	UI here, earbuds. C L twenties. Calibrated electronics. UI. You may need to get the razors too huh?
CHS	Yeah.
Herrera	I don't have it like that ay. Fuckin, twenty seven dollars bro <i>a la verga</i> .
CHS	For what kind of razors?
Herrera	The (stutter) Conairs.
CHS	What's that electric razor?
Herrera	Yeah.
CHS	I wouldn't order nothing till I find out where they're gonna take you. You order it and then they don't let you have it?
Herrera	Chh. I know I don't know what the f -I think too, you know they-they s-
CHS	They didn't a-question you or nothing when they brought you over here?
Herrera	Fuck no. I wouldn't even rap to them fuckin

	cops ay. I don't know though. I don't UI-
CHS	(overlap) It's a good thing to listen to em like when they question you it's a good thing to listen to their questions that way you know, kinda what they're trying to look into no?
Herrera	That's what my mom told me too UI-
CHS	(overlap) Instead of saying, (stutters) I went in there every time they'd call me to STG I wouldn't make a big ol deal I'd just go over there and listen to what they have to say and then I would come back and say, "Yeah they're asking me this and that" and you can tell kinda what they're looking into no?
Herrera	Thinking that too. Maybe they'll give him this week <i>aver</i> . I don't know.
CHS	Well STG has to know you're here <i>que no</i> ?
Herrera	No but that chh, another thing too they could just, they could just be fucking with me you know what I mean like, lock him down and...I-I thought honestly, what happened lately is what I was thinking is, they went and did my mom's pad and UI have her under investigation, so I think they just went ahead and locked me down, to fuck with me. You know what I mean? Just playing little games ay.
CHS	Like psychological?
Herrera	Yeah. Fuck em. They don't have nothing. They went and tried to fuckin get me my mom on a sale, they couldn't do that.
CHS	How did they try that?
Herrera	Because two <i>vatos</i> went over there trying to score.
CHS	Well, (stutters) she didn't sell em nothing so how can they try and get her?
Herrera	And then another thing that kind of, I haven't brought it up to my <i>rucca</i> no? She hadn't mentioned nothing, that means that

	<p>she will. She told me that UI went to go see her, that, she hadn't brought it up or <i>nada</i>. I-I was gonna wanting to ask her this morning but I didn't I just said you know what? I'll just wait, wait it out. And see her in the visit then ask her. I was looking, I wanna see her expression on her face and her eyes know I mean? See if she's lying to me. Because, supposedly (phonetic) they-two <i>vatos</i> went to my mom's pad, asking for a <i>vato</i> named, Stee. Alright. Supposedly when they left, they wrote down my mom's license plates. Maybe she could just be paranoid or whatever. Ok. The coincidence is, is the <i>vato</i> named Stee is the detective that went to see her. But she wasn't at, <i>es que</i> he went to her work.</p>
CHS	I know you told me they went, the <i>juras</i> wouldn't go over there.
Herrera	But this <i>rucca</i> doesn't know nothing. She don't know fuck and maybe they went and prolly scared her and told her you know what?
CHS	Yeah they'll tell her but, (stutters) she still, she still talks to you and she-so they didn't scare that bad.
Herrera	But-but she asking me some stupid ass question and I'll snap.
CHS	I remember they went and told the peg leg, a long time ago they went and told the peg leg he's gonna kill you. There's nothing we can do but, we already have information, that he's gonna kill you so, (stutters) we don't have nothing to keep em he's gonna get out and kill you unless you can tell us something about him. And-and they were trying to get-
Herrera	(overlap) UI.
CHS	her, they were trying to get her to set me up with a gun huh? You just tell us when,

	huh?
Herrera	I worry more about my wife no? This <i>rucca</i> doesn't know fuck. Even if they were to approach or whatever. She tried to ask me some stupid ass questions-
CHS	No I'm saying they'll ch-jus try to scare her to just take away your <i>skeena</i> you know?
Herrera	Yeah.
CHS	Not that she knows anything just to take away-
Herrera	(overlap) But-
CHS	your <i>skeena</i> .
Herrera	Not only that, I don't know uh-chh.
CHS	That's what they're-
Herrera	(overlap) UI bro. We'll find out. But ch you know it's like, they act like they're doing something, for-already immune to this type of living you know I mean?
CHS	I'm not.
Herrera	Whatever.
CHS	[chuckles]
Herrera	Regardless if they-they do come or whatever, that they put me in this cell, like nine years, I'll be-I'll be leaving. If I do go home if I don't I don't but nine or ten more years, I could do it in the cell it's nothing. It's <i>chafa</i> .
CHS	Shit. Ten years-
Herrera	(overlap) UI
CHS	is,
Herrera	I do.
CHS	Ten years is a long time.
Herrera	But yeah you know what I mean?
CHS	Ten years is a long time to pick up some more time. [chuckles]
Herrera	Yeah I know. I don't really give a fuck be honest you know I mean? But, that's what I see in it.
CHS	How long have you been down now?
Herrera	Sixteen years. And all of its in the hole.

CHS	[laughs]
Herrera	[laughs] Fuckin <i>puto</i> .
CHS	[laughs]
Herrera	It's not funny ay. At first I UI-
CHS	(overlap) Oh! You never even get, you never get to the main, to the south or nothing when it was population?
Herrera	Yeah.
CHS	Yeah?
Herrera	Yeah for a while.
CHS	Where were you at at the main?
	[someone yelling]
Herrera	When you were in f-member I was in cell block four? The hole when, when you were in cell block three with fuckin Scooby.
CHS	You were in cell block four?
Herrera	Yeah when it was the oyo.
CHS	Oh when it was the hole?
Herrera	Yeah.
CHS	What side of it was the hole?
Herrera	There was UI on the north and south side. You were there. You-you were rapping with Patas member? You fuckin, you would send the <i>linea</i> once in a while?
CHS	What happened to <i>patas</i> ?
Herrera	I don't know. Fuckers a fuckin,
CHS	They shot, they killed him huh?
Herrera	Yeah.
CHS	That little fucken restaurant. I member that on the news except I don't remember his name but yeah.
Herrera	Yeah it's fuckin like I said ay. All of this UI this fucker time I've been in the hole bro.
CHS	A la verga (stutters)-
Herrera	Since I was there,
CHS	At least I got, I did a lot of that-
Herrera	Right after I got there in Cruces when you, and I guess J.R. and I don't know who else

	fuckin, got in a bang, banged with the fuckin negros in the gym. When you guys came on that <i>cadena</i> , I went on that other <i>cadena</i> . That's all they need, for you guys.
CHS	There's a big ol trip in the gym huh?
Herrera	Yeah.
CHS	The <i>mayates</i> ? Yeah.
Herrera	That's when I got over there and, I was with-with Baby Henry, and fuckin Joe, Gordon, had my,
CHS	Where's Joe Gordon?
Herrera	UI.
CHS	How, how, he die?
Herrera	I don't know. And, and his brother. Jimmy too.
CHS	Oh yeah I remember Jimmy was one of em was over here.
Herrera	Joe and Jimmy are dead.
CHS	Where's uh, where's Little Henry? Oh he's dead.
Herrera	Henry-Henry's dead too though.
CHS	Yeah Henry they killed him that dude the...he's trying to bulldog people member?
Herrera	Yeah.
CHS	He's trying to bulldog and they sssss capped his ass.
Herrera	Yeah but like I said ay, fuckin, that's what I think happened with Shadow too they went and tackled his ass up ay.
CHS	He would've told (stutters) you guys didn't have no work for him to leave a message to you guys?
Herrera	Huh?
CHS	You didn't have nowhere to, for him to leave a message to you guys?
Herrera	Who?
CHS	Uhh, um, Little Shadow?
Herrera	Huh?
CHS	Little Shadow.
Herrera	No. Hold up. Not uh!

[pause]	[background noise]
UM3	Hey UI go! UI go.

Herrera	UI.
CHS	[laughs]UI not down. [laughs] A la ve. Fuck man that dude always says we're on lockdown ese.
Herrera	Hey
CHS	He always says we're on lockdown UI-

Herrera	(overlap) UI
CHS	We're not lockdown during the day UI gave everybody the phone.
Herrera	Yeah but like see with Shadow got there, you know, like I said,
CHS	When Shadow got where?
Herrera	UI the <i>monte</i> and everything but, the <i>vato</i> , short timed it bro. He's going to courts and shit and right now it's like, UI-
CHS	(overlap) Oh yeah if he's about to get out they'll tell him,
Herrera	Yeah so-
CHS	(overlap) they'll tell him well you ain't getting out no more unless you tell us this or tell - well what did Shadow know- Shadow.....Little Shadow wasn't there when all that shit.
Herrera	Vatos were trying to go home and whatever, you know what I mean? I like rapped to him about certain things but there's just certain <i>vatos</i> that I trust no? Like <i>vatos</i> like, like G, Alex, Juanito.
CHS	Who's G oh G yeah?
Herrera	Huh?
CHS	I was saying who's Gene but G yeah.
Herrera	No he's doing <i>vida</i> on that fuckin, like Juanito I trust. That fucker hasn't broke yet. And you, what gets me sad is,
CHS	Huh?
Herrera	And there's no old schoolers bro.
CHS	What?
Herrera	So all the old schoolers are gone.
CHS	Where are they gone to?
Herrera	They're already, huh?
CHS	Where are they gone to?
Herrera	The program. Like you know <i>vatos</i> like, that we know.
CHS	Gone to the-
Herrera	Either they're dead,
CHS	Hey the tap out program what's that about?

	They have to give information or something?
Herrera	(overlap) Yeah! Straight up. You just don't go to that program bro. The reason,
CHS	Who said that?
Herrera	(overlap) Not only that, after that, they told Bernie, you go to the fuckin north and then they like, they um,
CHS	Did they try to send Fernie to that program?
Herrera	No. Member I told you that we were rapping over there? And we started thinking well let's all-all fuckin renounce. Let's just all go to that <i>programa</i> and do a <i>desmadre</i> ay. Make them look fucked up so they could shut down the program, and, shit like that no?
CHS	Yeah.
Herrera	It didn't work out like that. Fernie came back and said, " <i>Chale.</i> "
CHS	Well did Fernie even know then?
Herrera	Ok. They fuckin were, he was just asking what that program was about like, like if wanted to no?
CHS	Yeah.
Herrera	Thinking about it or something. State prolly got all happy.
CHS	And what did they-what did they say he came back and said what did he say?
Herrera	That they have to give info. They have to tell, like a mission that a person wrote on. They have to, um,
CHS	Tell em, tell em I know who killed <i>Mosco</i> . [laughs]
Herrera	It's crazy <i>rollo</i> bro.
CHS	[sighs]
Herrera	That's why I say, those fuckers, you know Juanito, I have respect for that fucker bro. Cause he's been locked down, since ninety eight UI like that in the federal system system for years bro. And now fuck around he tapped out Baby Rob with another one, but it

	couldn't happen. They just broke him bro.
Herrera	They didn't have UI-
CHS	(overlap) Do you think, do you think Robert's getting information or he just tapped out?
Herrera	Chh, I don't know. I don't know.
CHS	Was he feeling the heat or b- did he think people were gonna hit him or what?
Herrera	Yeah. He was feeling it bro. That's why I don't think he was wanting to come out he- every time it was time to go, not only that but I- you know I could've had my UI with him, like even Juanito. Me and him were talking, they (stutters) they shut down the program they were letting out everybody. He was the only one dying. Even Shadow's fuckin ass left. Everybody. Rabbit, fuckin Aturo,
CHS	Did they send Robert over there?
Herrera	Huh?
CHS	They send him over there <i>que no</i> , to Cruces?
Herrera	Fuck no. He-he came to, see not only that,
CHS	Well where was Robert when he, <i>es que</i> shitted out a <i>filero</i> ?
Herrera	He was at the north.
CHS	Oh at the north?
Herrera	Yeah.
CHS	Locked up, uh with level six?
Herrera	Level six. Everybody had left though. He was the only one behind. Everybody left, and he was the only one here at the north. Him and Rudy. Even Rudy went over there. But Rudy they fuckin locked him down.
CHS	Why'd they lock out Rudy?
Herrera	Umm, supposedly, he sent me his <i>papelero</i> bro. And-and, and I seen it, and someone dropped a kite on him ay.
CHS	He's blaming me? [chuckles]
Herrera	Not uh. Let's see but, he had <i>pedo</i> with Jake no?
CHS	Rudy did?

Herrera	Yeah.
CHS	Jake wasn't there.
Herrera	But I'm just saying he say, I know he's a creep or whatever, but he went. He fuckin went over there.
CHS	Who, Rudy?
Herrera	Yeah he-he went bro. He showed me his papers UI and, [someone shouting]and the thing where they locked him down no? All his <i>papelero</i> he's telling me, "hey Lazy" he said "you know what? I'm not a, I'm not a fuckin punk bro. I came over here, I fuckin, I'm ready to-to die for mine <i>tambien</i> . But they fuckin dropped a kite on me UI so you could witness it yourself." You know what I mean?
CHS	Yeah.
Herrera	And I seen how they locked him down down. I see the UI that he filed, see, other <i>vatos</i> didn't even make an attempt to do that. But I'm saying is, is everybody left the north. Everybody. Baby Rob is the only one here. They let out, everybody.
CHS	Well where was he-
Herrera	(overlap) They UI-
CHS	over here, over here at the north he was over there, over here at the north he was trying to say he was next to all the <i>llaves</i> at the north?
Herrera	Yeah.
	[background voices]
Herrera	And- everyone was laughing at him. He was you know, just,
CHS	So he just went, where I th-where did they see on the yard with Juanito you said they seen him in the yard and he threw a <i>loco</i> that's here at the north?
Herrera	He was-he was in the-he was in he went to Cruces after everyone else. He fuckin shit out the <i>fierro</i> then they had him over there supposedly(phonetic) in Grants on computer,

	and that's usually where they send them. They have him on computer, that's where they have Crazo on computer. I don't know if he's over there or what the fuck but, you know.
CHS	When he went to Cruces, was he in the same pod with you guys?
Herrera	No. He was on the other side.
CHS	Oh in another unit?
Herrera	No they were all fuckin UI. Juanito seen him in the yard, and we already knew. We heard what was up. And Juanito, didn't believe it. Juanito didn't believe it bro. So, he-he believed it, what Baby Rob was hiding from him.
CHS	I wonder what-
Herrera	(overlap) But Baby Rob knew he was in the yard that day.
CHS	I wonder what Baby Rob's thinking?
Herrera	I don't know. It's <i>gacho</i> ay but, like I said not, not everybody has it in em. [someone yelling] They-they you know they're UI us. Like you said Kendrick too. They UI-
CHS	(overlap) Well he's on my, he's on my indictment. Robert's on my indictment, charged with all kinds of shit.
Herrera	They could be cleared or whatever. That don't mean nothing you know what I mean? Them fuckers rat. They want freedom. UI wanted, what I think he wanted to go to Grants-
CHS	(overlap) But Baby Robert ain't getting no freedom. That fucker has two life sentences.
Herrera	UI. I-I UI too ay but, what could I say? That's what kinda(phonetic) stunned everybody. Everybody was stunned ay. Even Fernie everybody couldn't believe it. Damn man! You know how Fernie is no?
CHS	What did Fernie say?
Herrera	Sh, good Lord!
CHS	Good Lord! [laughs]

Herrera	UI
CHS	[continues laughing] That's what he says too.
Herrera	But damn bro that's, that's awful. It's fuckin embarrassing, like fuck. It's <i>gacho</i> you know what I mean? And then like not only that, it's just stupid like us like, you know UI Juanito everybody else. We're fuckin outnumbered, you know what I mean? We're in a war with everybody. Fuckin, this whole fuckin <i>ranfla chafa</i> , fuckin buried in the south, we'll fuckin UI <i>chafa</i> you know what I mean? You don't see me over there like that UI fuck no. I can't look in the mirror like that with this face ay.
CHS	There ain't no mirror in here. [laughs]
Herrera	(overlap) UI. I can't UI-
CHS	(overlap) Yeah.
Herrera	Fuck that. I'd rather die bro.
CHS	Hey!
Jesse	I got that stinger.
CHS	You got that thing?
Jesse	I got UI-
CHS	(overlap) Hey. There's a stinger. You wanna use it now?
Herrera	Yeah. Can you grab it?
CHS	Yeah yeah.
Jesse	Let me know when you're ready.
CHS	You gonna use it first?
Jesse	Huh?
CHS	You gonna use it first?
Jesse	Let me know when you're ready ese.
CHS	Ok ese.
Jesse	UI, you weren't gonna yell at me right?
CHS	That's a grumpy little youngster over there.
Jesse	[laughs]
CHS	Nuh? When he gets mad, no one's even gonna wanna talk to him. He says I'm grumpy.
Herrera	What happened?
CHS	I'm not grumpy no Lazy?

Herrera	Huh?
CHS	I'm not grumpy no?
Herrera	What?
CHS	Am I grumpy?
Herrera	A donkey?
CHS	Not a donkey I said am I grumpy?
Herrera	[laughs]
Jesse	You're a donkey.
CHS	Yeah am I a donkey heehaw heehaw.
Jesse	You're a donkey UI-
CHS	(overlap) He said I'm grumpy.
Jesse	<i>A la verga.</i>
CHS	I'm not fuckin grumpy. He-you should hear him.
Herrera	(overlap) UI.
Jesse	(overlap)Huh? UI yeah.
CHS	Huh?
Jesse	UI
CHS	Look let's go get this stinger. Alright?
Jesse	Huh?
CHS	Oh we're gonna get it now.
Jesse	Want it now?
CHS	Yuuuuuuup!

CHS	Yeah might as well make a coffee I've been asleep all day.
Jesse	UI
CHS	I've been watching them movies <i>a la verga</i> UI I gotta stop watching em.

Herrera	The pop and rock.
CHS	Huh?
Herrera	The pop and rock.
CHS	Where, what channel?
Herrera	On the radio.
CHS	No. Huuuuh?
Herrera	UI the old school. The fuckin pop and rock.
CHS	What are you talking about now?
Herrera	Is he here yet?
CHS	What? What's on?
Herrera	It's on the radio the pop and rock.
CHS	I don't know about that station.

Herrera	It's like the, eighties free style fuckin break dance music.
CHS	Ay. Well hold on let me get my order ready.
Herrera	UI
CHS	And then I'll send it to you I gotta get my order ready buddy. Uhh. I don't know. You're gonna take a cold shower tomorrow Jesse? [water] Fucker saying we're on lockdown we're not on fuckin lockdown.
Herrera	UI
CHS	He said we're on lockdown. Motherfucker you don't even want to call the, sergeant or something. Ha! Ahhh! Hello?
Herrera	Huh?
CHS	Huuuuuuuh? I- [long pause] Aye yi yi! [pause] Yeah! Huh? K it's cooking now. What'd you say?
Herrera	UI. Huh? Fuckin UI.
CHS	Hey.
Herrera	Hey. Huh?
CHS	How, how did they know, that Crazo's, been ta-Crazo turned fucked up?
Herrera	That what?
CHS	How do, how do vatos know that Crazo turned fucked up?
Herrera	Cause I know.
CHS	How?
Herrera	Because, fuckin left too.
CHS	Oh he left? Yeah.
Herrera	Ask your lawyer.
CHS	Is he a-is he in on, he-he, what's his real name?
Herrera	Uh.
CHS	Oh he's not on my indictment.
Herrera	Fuckin um, no he's not on the indictment but he's dirty.
CHS	How much time-
Herrera	(overlap) UI fuckin set him up ay.
CHS	Huh?

Herrera	Yes he was involved. I guess Walt found out I only rap when he heard about that cause he left no? See the funny thing, the vato disappeared.
CHS	Yeah. How long ago?
Herrera	Fucker was at,
CHS	How long ago?
Herrera	Chh, about, let's see..... Since I was in Cruces so maybe like six eight months. But right after they got Pup and shit. Right after that, he stood in the north and they were UI and Blue-Spider never really told me that he was gonna break. Marijuano everybody. They seen it no? They seen it. Then he started prolyl (phonetic) talking to me cause whatevers (phonetic). And, sure enough.
CHS	Was he-
Herrera	Once Baby Rob did, he did.
CHS	Was he doing a life sentence?
Herrera	Uhh, I don't think so.
CHS	That was Arturo's buddy huh?
Herrera	Yeah. Then after that some other fucker went. Uh, Swamp sent word just matter of fact like not even days before I came over here Swamp said, that I guess he got <i>palabra</i> from the homies cause there's <i>vatos</i> over there from <i>Spana</i> UI, and I guess one of em get into dope, and they were saying that, that fuckin Goat said that the one who set him up was fuckin Crazo, and Sammy Griego. Whatever. Whatever. Like I said, see that motherfucker was in here so, he punked uh, Baby Rob must've had Crazo out fuckin sending <i>palabra</i> for him ay. To the <i>libre</i> . That's how fuckin Cray-that's how I guarantee the fuckin Feds came. They fuckin seen Crazo UI-Crazo was prolly sending the fucking <i>palabra</i> , to fuckin Sammy out there on the streets for fuckin Baby Rob.

CHS	How?
Herrera	(overlap)UI. That's how I'm thinking how, they fuckin scared fuckin Crazo.
CHS	Was-was Robert, was Robert and, was Robert and Shadow talking to Crazo on the phone? I mean uh, wherever?
Herrera	Big Shadow?
CHS	Mm-uh yeah.
Herrera	I don't know. I-I, that's what my guess is no? You just put two and two together think about it. The only people in the fuckin worked in that unit because they had everybody together. Everybody, was in one unit. They had us separated supposedly from everybody else in there. I was in Cruces when we were getting UI here. They had Marijuano, they had Spider, they had Blue. They had two, two pods no?
CHS	Was Shadow and Robert together in the same pod?
Herrera	Yeah. With-with fuckin Pup.
CHS	With Pup?
Herrera	Yeah.
CHS	And where was Crazo?
Herrera	Uh, but see then they did uh like they switched em around, but at the beginning they were altogether.
CHS	Where was Crazo?
Herrera	(overlap)They all-they all had access to each other? Ok. Pup ended up going to the Feds, uh, Spider went to Cruces. Uh, Marijuano went to Cruces. Uh, and the ones who stood behind and then Baby Rob, uh Crazo was still there. Uh Swamp was still there. Uh, and Baby Rob no? And Swamp left he went to Cruces so that's how we kinda got, you know more <i>palabra</i> over there with Swamp when he rolled up to Cruces. The war's going on in the <i>norte</i> . And then we found out that Baby Rob bounced. And that's when fuckin

	Crazo was still there. Then they went and got Shadow so Crazo, Red, J.R. and whoever else, Creeper was the only one there.
CHS	That-
Herrera	(overlap) That fuckin and Crazo UI.
CHS	No one said-
Herrera	(overlap) UI saying that, they were already talking whatever he was saying or whatever he was talking leave. That he was ready to go nuh?
CHS	No one has hooked him on the computer?
Herrera	And he's from Clovis so that's Marijuano's homie. They're from fuckin Clovis ay. And that's why I'm thinking. I put two and two together think about it. He was there with fuckin Baby Rob, and he was the one guarantee you he was fuckin over there sending fuckin word. To fuckin Sammy. See because Goat said that fuckin Sammy and fuckin Crazo are the ones that set him up.
[pause]	
CHS	How-
Herrera	(overlap) How in the fuck would Crazo set him up? He wasn't here. He wasn't on the streets. So that's another thing that I don't know-I- kinda but what-it don't make sense to me. If he's in here how in the fuck [background noise]
CHS	Shad-
Herrera	(overlap) UI to informants to juggle.
CHS	Sammy's on the streets.
Herrera	Huh?
CHS	Sammy was on the streets wasn't he?
Herrera	Yeah but I'm saying, how are they gonna have an informant to live here working with an informant out there and knowing each other? You-
CHS	(overlap) Let me close the back.
Herrera	That shit doesn't make sense.
CHS	I gotta keep an eye, I gotta keep-

Herrera	(overlap) UI.
CHS	an eye on my water.
Herrera	I know-see-that-then not only that, Crazo disappeared and he was in contact with Marijuano, and then I guess when he had called his <i>rucca</i> , next thing you know she started acting different you know I mean?
CHS	Who, uh, Crazo's <i>rucca</i> ?
Herrera	Yeah like started acting different. Next thing you know, he-they didn't keep in touch. He just d-disappeared. And that's who started finding out then not only that, it just, everyone just started snapping. Crazo somethings up but Crazo what's up with Crazo?
CHS	How long ago was that?
Herrera	(overlap) UI bounced no one knew-
CHS	(overlap) How long-how long ago was that?
Herrera	Let's-uh, when I was in Cruces like last year. We just barely got over here in February..... No January about the end of January. Bout the begin-end of Jan-well, middle of January is when we draw-February's when UI-
CHS	(overlap)Where's Big Shadow at?
Herrera	He's in the Feds.
CHS	Where?
Herrera	Somewhere. We don't know. I'm not gonna go over there-I don't even wanna mention no names or noth-f- the only thing, I'm able to fuckin just, throw a little bit of <i>rollo</i> communication here and there. [background noise] I'm not gonna be asking for all the UI. Even-even at the visits at the south we can't even throw <i>rollo</i> because those fuckin phones, are new models. Those fuckin phones have recording devices in em. And the fuckin cameras have recording devices. They have I don't UI understand UI bro.
CHS	Yeah they're waiting for-

Herrera	(overlap) Not only that those UI.
CHS	They're trying to get ready for another one of, (stutters) the things that were happening in Cruces. [laughs]
Herrera	You know what I mean?
CHS	Yeah.
Herrera	In Cruces I was able to throw <i>rollo</i> because there was no, there was those fucken phones UI.
CHS	No but like, like when people go to the visit they could try to find out luk-had their <i>rucca</i> look at where Shadow's at, Big Shadow.
Herrera	Fuckin, if I get a shots I'll help, you know I will.
CHS	Oy.
Herrera	Know what I mean? But I-I'm not really worried where that fuckin creeps at ay.
CHS	I was just wondering where.....
Herrera	You know what I mean?
CHS	Yeah.
Herrera	That's guaranteed. That's how I think they fuckin UI fuckin UI. Cause he's over there fuckin dealing with Crayzo. He was UI.
CHS	He would-Shadow uh, Pup was dealing with Crayzo?
Herrera	Huh?
CHS	H-he was just like keeping in touch with him or what?
Herrera	No. They had like, Crayzo was the only one that had a <i>rucca</i> there. Well-and-and-and after that everybody left. Marijuano went to Cruces with us. And then they locked him back down and brought him back to the north. Then he went back over again with us. Then they put Marijuano over there in the unit with Loco and them. Like they didn't know what to do with him like put him there? Or put him over there with us no?
CHS	Was Pup and Crayzo in the same pod?

Herrera	Yeah. For a minute. This was like a long time ago though.
CHS	Is that when Pup first came back?
Herrera	Yeah so maybe a (stutters) UI it was already after the fact. But I know, he was the one who was there with Baby Rob. And Baby Rob did that after. After everybody was gone.
CHS	Oh someone set them fuck-fuckers up where they got Robert and them for Martel you know what I mean?
Herrera	(overlap)UI. When it-when, you were gone, Juanito fuckin, like where Pup's out of state, UI going to Cruces and this fucker UI started going big over here in the north.
CHS	Who, Robert?
Herrera	Baby Rob. But he started getting like that but he had all kinds of gastos behind him.
CHS	Like who?
Herrera	Chh Crayzo. Then they were <i>es que</i> they were reaching out to, to Red to, in other words to go over there to discuss what he did, as long as they have a rider. That's where Baby Rob was fucking up bro. He started reaching out. We found out that he was reaching out to all the drop-offs. And then he was contacting UI too. Come on bro.
CHS	On the streets?
Herrera	Yeah. They act like if we don't know these things bro. Like if we weren't hearing nothing over there. That fucker was making himself look <i>chafa</i> . Some-for some reason he got scared of fucken, and he dropped out from UI ay. Baby (stutters) Rob fucking shown him something, where he fucked up and-and he knew. That now it's either that, or gi-give-give him like a roster.
CHS	Were people already talking about hitting him?
Herrera	Huh?
CHS	Were people already talking about hitting

	Baby Rob?
Herrera	No but just, just,
CHS	And he wasn't, he- I was wondering what he was feeling no?
Herrera	He didn't have support then-t-then we were finding out that he was reaching out to fuckin Sammy. That we found out he was doing that.
CHS	He's-
Herrera	Even the UI after what he was doing. He went up there fuckin got at Sammy and I know he went and had Crayzo fuckin keeping in touch with Sammy, and he needed to get that wheela. They-they've got a kite and everything. Two letters supporting UI two letters that were intercepted. And they went, and this is what happened right? Fuckin Sammy went, and the FBI approached him. Already had a case against him and told him look, "You need to sit up and speak your UI or you're done."
CHS	And they-you think-
Herrera	(overlap) UI
CHS	You think those other dudes were, that were, those are the ones that are trying-
Herrera	(overlap) UI that's what I think happened to Crayzo. They went and told him "You know what? We have fuckin phone conversations when you were fuckin putting a hit,
CHS	I'm-
Herrera	(overlap) we're gonna hit you with this fuckin case right here."
CHS	On Martel?
Herrera	On Markel. He fucked up. I-I know that's what happened because (stutters). No-
CHS	(overlap) Yeah that's,
Herrera	UI-
CHS	(overlap) that's what started it all for sure. That's,
Herrera	That's how they got Shadow because, the only

	ones were here were Baby Rob, Shadow, Crayzo, um, J.R.,
CHS	Pup.
Herrera	No Pup wasn't there.
CHS	Oh.
Herrera	Everybody was already gone. Everyone-they-they got, they got hit with this, they-they put on that case after.
CHS	What kind of letters were intercepted? Talking all kinds of shit?
Herrera	I don't know. That's just what I heard.
CHS	They x-send them in the inmate mail?
Herrera	Yeah. [pause] That's where he fucked up though. That's how we UI to Shadow. Wh-it was just him and Shadow at the north. And-and fuckin Crayzo.
CHS	So don't fuck-
Herrera	(overlap) UI even know,
CHS	Them fuckers,
Herrera	UI-
CHS	(overlap) them-
Herrera	Crayzo's there solo,
CHS	Robert and Shadow hashed stf-fucker all by their selves?
Herrera	Huh?
CHS	Ro-uh-uh, uh Robert and Shadow hashed that up all by themselves?
Herrera	Yeah they're,
CHS	(overlap) [chuckles]
Herrera	They were in the north.
CHS	A la verga.
Herrera	That's just what I heard on all that rollo though. I know that's just UI-
CHS	(overlap) Yeah but if they're by themselves, then that-that's them you know what I mean?
Herrera	Yeah I know. But if they don't, that's just not the way it works though. Because of them, being tied to us, what you-what you have to do, is to say, "Those fuckers are fuckin psychos. They're fuckin on

	medication. So why in the fuck am I getting charged with these idiots? I didn't have nothing to do with that." It just sucks because this is what, goes on with this RICO shit.
CHS	Mm yup.
Herrera	At least somebody goes and does something, being tied to an organization and being called like idiots. They'll say, the only way that could've got done was by a UI. It's <i>chafa</i> . That's some fucked up shit bro.
CHS	Shit Robert I'm glad Robert and Shadow never called me. [laughs]
Herrera	Chh. I'm telling you bro I-
CHS	(overlap) No-no-no-s-eh-
Herrera	UI
CHS	(stutters) Robert did call me but he only asked for <i>feria</i> . He said that he needed money to buy a tv no?
Herrera	I gave him nothing.
CHS	That he needed two hundred and some dollars and I said shh-
Herrera	(overlap) UI
CHS	how I, I told him I could prolly send you twenty dollars I ain't got it like that. An-
Herrera	(overlap) That don't mean <i>nada</i> though.
CHS	and I sent him twenty dollars. Yeah that's the only time I heard. [chuckles] I guess he was pissed off cause I only sent him twenty dollars but,
Herrera	Well that was bad bro that, chhh. I-I-I already know. They were UI bro. That's what they this fuckin, knowing that idiot, he bounced. He doesn't have a way to communicate with the streets. Not unless he was calling it. Like Red, Baby Rob ain't that stupid. He was gonna how could he have did it? Crayzo's <i>rucca's</i> from <i>Santa</i> . Know what I mean?
CHS	Fuck.

Herrera	I know my-I didn't know her but Shorty knew her too nuh? Her name's Grace.
CHS	Well let me check my water <i>a la verga</i> . [background noise] Aye yi yi.
Herrera	Huh?
CHS	That, fucker's boiling. Owwww! Dammit man. Fuckin [laughs] I was gonna make my soup and my things and then I'll make another one for coffee. [background noise] How many soups do you got Lazy? [noise] Aye. [noise] Huh? Hold on. Fuckin burned my hand. [noise] (1:15:01) Wooo! Fuckin shits hot buddy. Uhhhh! [pause] Oooooeee! [water] I'm gonna fill my tub with water and throw the stinger in there. [laughs][pause] Ok. Hey.
Herrera	Hey.
CHS	Aye! Now my soup is cooking now I'm making a coffee. And then I'll send it to you. That fucker was boiling I'm over here talking its boiling.
Herrera	Yeah. Ay.
CHS	Hey.
Herrera	Huh? Fuckin <i>UI</i> fool. Not even listening.
CHS	We're fucking done.[pause] Damn ese.
Herrera	Huh?
CHS	Fuckin Robert and Shadow d-brought all this fuckin bullshit.
Herrera	Yeah but see when we were hearing that, I had asked Shadow.
CHS	That's what (stutters), the FBI never came with all that other <i>viaje</i> . All of a sudden you start putting hits on that <i>UI</i> officials then yeah. That's what brought it all. Robert, Robert, and fuckin Shadow in their own little world, they're both not there. No one listens to them. Uh-and then they started going to, people that were, ar-already rapping to the FBI or something? From what you tell me I, them fuckers are fuckin weirdos.

Herrera	I trip, all of us tripped the day that we heard, Baby Rob did that.
CHS	Did what?
Herrera	Left like that ay. That's like <i>gacho</i> like everyone was stunned.
CHS	I'm talking about the plans he hatches up. They were always spectacular weird. No one would, like fuckin, shh. Something that no one (stutter) people would hear it and say "A <i>la verga</i> what have you been taking?" Know what I mean?
Herrera	I already know bro. [pause] Serio and that's why I'm saying that fuckers a fuckin, stupid fuck ay. Can't believe that. Then not only that, get in with the <i>vato</i> that's fuckin ain't worth a fuck ay. He knows that.
CHS	Who?
Herrera	Sammy.
CHS	I know nothing about Sammy.
Herrera	Sh when we were in the fucking, when we were in Cruces, he was over there China Man, Sammy, uh, what the fucks those other fuckers names ay? All kinds of fuckers ese. <i>Vatos</i> that, like even China Man ay. I-I, we tripped ay like what the fuck? You know I mean?
CHS	What were people saying about Sammy?
Herrera	He was in that <i>ranfla</i> UI over there.
CHS	Oh right right.
[pause]	
Herrera	Just that <i>vato's</i> a fuckin weirdo ay.
CHS	He was always saying how good he was doing down there balling and <i>encantanto</i> .
Herrera	Even Spider was all bad. Spider said "I don't know bro. Who in the fuck are you?" You know the way he talks. I can't believe that fucker bro. What a fuckin disgrace nuh? That's what he was telling me ay. Chh. I was fuckin hurt ay like <i>ch que barbaro</i> .
CHS	Billy wasn't in that program huh Big Billy?

Herrera	Little, Little Shadow?
CHS	No. Bi-Billy Bob-Billy Buns.
Herrera	Fuck yeah he was in that program.
CHS	Oh he was?
Herrera	He was there with fuckin, with, they were all in the back. They showed em on the news. UI. That fucker was on the news getting in the van with Playboy.
CHS	Who and Playboy?
Herrera	Yeah. They-when they did uh,
CHS	Freddy?
Herrera	Some fuckin thing in the north some documentary and shit. They all went on camera. Playboy went on camera too.
CHS	Freddy?
Herrera	Yeah!
CHS	Wh-well did they talk or they just got em on camera?
Herrera	They talked!
CHS	Did Billy talk?
Herrera	Yeah he's over there saying all kinds of shit ay just I don't know.
CHS	Did Billy talk? On the-on the,
Herrera	They were getting in the van together when they were going to Clayton. They were leaving on transport they said he UI, something about gang members going to uh, that like the, that aint in that life anymore and shit nuh?
CHS	And then-
Herrera	I seen Billy getting, I seen him get in the van.
CHS	And UI [laughs]

CHS	And then Billy got out.
Herrera	They were over there talking shit saying that they're at they're-they're <i>La Nueva</i> , uh, cr-fuckin Playboy and fuckin UI fuckin uh, Billy were running it ay.
CHS	Running what?

Herrera	The Nueva.
CHS	What's that mean?
Herrera	The new, the new SNM.
CHS	A <i>la verga</i> . Billy got out I think he's on the streets. That's what Chris said no?
Herrera	They're over there starting the Nueva,
CHS	Was Billy on the streets?
Herrera	Ch he went home.
CHS	Yeah, ok. Cause Chris told me yeah he's out here. He just stays in a trailer and he has a dog and he never goes nowhere. Starting to wonder about whatever Chris used to tell me no?
Herrera	He got out from Clayton no?
CHS	I shh I had no idea.
Herrera	UI yeah he was in that <i>drop out unit serio</i> him and Playboy. Playboy UI over here at the south. They have him in uh, in one A.

CHS	Shh.
Herrera	I'm disgusted ay. Baby Rabbit too wherever the fuck he's at: UI that <i>linea</i> . We don't ever see him but we just heard they were there nuh?
CHS	Baby Rob and Blue were best friends.

Herrera	(overlap) That's why I'm saying they all went to the fuckin, <i>linea</i> , even Spider. They all fuckin, they all did <i>desmadres</i> too. How come they let them out and they didn't let out Baby Rob? That's where that-that's where the fuckin what do you call was going on and they like, somethings up with this <i>vato</i> . Know what I mean? They let out the whole fuckin <i>pinta</i> , and he's the only one they didn't let out. Why not?

Herrera	They let everybody out ay.
CHS	[laughs]
Herrera	Marcantel when he got in the office,
CHS	Hey-ay when I was up there everybody (stutter)half of em were prolly left. All paranoid.
Herrera	I'm telling you though. Ahh it's <i>gacho</i> bro.
CHS	And then on meth? <i>A la verga</i> .
Herrera	It's fucked up ay.

CHS	Let me check my water. Last time it was boiling <i>a la verga</i> I burned my hand. I could hear that fucker [makes bubbles].
Herrera	You just gotta put salt in it.
CHS	Na this fucker don't-I don't have no salt.
Herrera	Huh?
CHS	Jesse has the salt shaker for me but I can't get it. Ahh. Nice cold cup of coffee. Who's playing now? Oh there's UI right there. Oh shit. [pause][tv][laughs] Oh yeah. [tv]
1:25:09 Herrera	Huh?

Herrera	A fuckin wafer.
CHS	What's a wafer? Uh, a nutty bar?
Herrera	Yeah.
CHS	Na I just buy soups, and beans and coffee, and sugar and cream if I have it. I was used to drinking coffee without sugar already no? As long as it had creamer I was drinking it back when I was first got here. I was already use to drinking black coffee it tasted pretty good. In Clayton? That <i>Sureno</i> , not in Clayton <i>a la verga</i> . [chuckles] And uh,
Herrera	[laughs]
CHS	And uh [laughs] <i>A la verga!</i> I gave myself,
Herrera	UI.
CHS	I gave myself up no?
Herrera	[laughs]

Herrera	Energy drinks? That's what's fucking up your liver.
CHS	What?
Herrera	Those energy drinks.
CHS	Well I didn't know. Then all the <i>pisto</i> the fuckin moonshine I was drinking every fucking day.
Herrera	Bad.
CHS	I would go to work, and I would put a Gatorade, in my-I'd have Gatorades in my cooler, and it w-it wouldn't be Gatorade. It would be straweberry-rita's and, and-and-and

	uh lime-a-rit-uh-mango-ritas. I would just fill up the Gatorade bottles. Put a little bit of moonshine so it would be stronger. And boom!
Herrera	[laughs]
CHS	[laughs]
Herrera	Don't even know how to make it?
CHS	No but people sell it there if they need work. People need work on the roof they need you to fix a leak,
Herrera	Uh huh.
CHS	cause they would see the work truck and they'd always ah-come and say they needed uh, their trailer leaked or whatever and they have moonshine to pay no? They-they didn't have no <i>feria</i> but they had some moonshine they would barter no? Yup. Them Tennessee fuckers they have connections with moonshine and, and <i>mota</i> .
Herrera	Yeah?
CHS	It's all woods man. They got some good <i>mota</i> over there. Let's see. My water's boiling. Oh yeah it's already on now. Last night I made a soup, when I passed you the fuckin stinger and just the top of the water I stuck my finger in it was hot. And then, when I poured it in the fuckin soup it wasn't even hot.
Herrera	No?
CHS	It was just hot because the top part I guess I-

CHS	What happened all night?
Herrera	They'll stay waiting all night to when you put the bag in it.
CHS	Man tomorrow - oh I don't put the bags in there I just put it like that they don't rust that much. (stutters) I used one before where there's all kinds of rust in it but that one is, pretty clean. There's rust on the thing but it don't leave all kinds of rust in your water I don't see none. If you're making a soup you don't even taste the rust. It'll be like spices.
Herrera	UI?
CHS	Yup. Yup.
Herrera	Well I learned that-that-that UI rust.
CHS	Huh?
Herrera	Not uh.
CHS	What?
Herrera	This one doesn't get rusted that bad. I've seen other fuckers <i>a la verga</i> bro.

[pause]	
CHS	Cause the first time he was gone a long time. That's when I met his buddy Casper from the Latin Kings. Came to the main said he knew, Pup and that Pup gave him <i>skeena</i> over there. That's right before the main closed down no? He was a Latin King a <i>la verga</i> . That's where he came back with all the fuckin marching rules no?

CHS	A <i>la verga</i> . Giving people homework, and they have to learn nawal and, and shh. Told him I don't even know Spanish UI nawal.[pause] You say he would let-he would have people clean his room?
Herrera	Huh?
CHS	You said he would have people clean his room?
Herrera	No not his room. Fuckin wiping tables. They were over there wiping tables for him ay.
CHS	Oh wiping tables in the pod?
Herrera	Yeah. For, for him to sit down. It's fucked up UI ay.

Herrera	Ee I know.
CHS	I guess you can't drive back there no. I never even been there or seen it or nothing man.
Herrera	I know.
CHS	(overlap) Albuquerque when I see it, it looks like all sucked up man when I see it

	on the news. I just, I g-I mean there's a lot drugs there you know but, just, man nothing but violence and, and cops shooting people and, and it's compared to te-compared to like the south it's all, it's forest it looks like no? All green?
Herrera	Yeah.
CHS	Badder (phonetic) than fuck. Where there's no neighbors you g-your-your house (stutters) your trailers in the woods. There's no neighbor you have to drive off to the road, leading to your house. No sidewalks. Albuquerque is badder than fuck or,
Herrera	You should've went to fuckin Nashville ay.
CHS	Nashville's a big city I would work at Nashville. We would always drive to Nashville. There's a lot of work in Nashville.
Herrera	Yeah?
CHS	To, fix, fix the roofs no? The leaks in the buildings.
Herrera	Yeah.
CHS	He's badder than fuck he looks like the Mardi Gras. Like downtown Nashville? It-they have a, it's a bar that you drink at but, everybody pedals at the barbers. Pedals, and it drives down the street.
Herrera	Yeah?
CHS	(stutters) Just all kinds of shit all the places that you go to right next to another right next to another there's li-there's bands in the, in the bars and, it's like the Mardi Gras over there. Every day it's the country, capital of the world. But expe-it's expensive bro. Everything you wanna buy there, shh... yup. I went there, at the, the Hard Rock Café and they sold me some nachos for twenty dollars.
Herrera	Serio?

CHS	Nacho I ordered a nacho supreme twenty dollars.
Herrera	A la verga.
CHS	I said "A la verga." They weren't counting on me cause I s-we're not there no more, we're going to McDonalds.  07 brothers or whatever but I didn't rap to em on that level. There was
 08 just a few that was that, willing to rollo. Not only that, no one

25 CHS: Who was he crying to?

00021:01 HERRERA: Chh. He was rapping uh, to Alex.

02 CHS: What was he saying?

03 HERRERA: (Stutters) ay like, "I know what I had coming ese but
04 (stutters) but did it end here?"

05 CHS: That's what he said? I know, I know, I-

06 HERRERA: (overlap)Boo Boo got all mad at Alex. He says "Fuck that
07 vato. He's chafa and, Boo Boo told the guard. I don't need a fuckin
08 chafa fucker. (UI) skeena and you're banging on fuckin door like a
09 bitch. Fuck you."

10 CHS: What did he tell em?

11 HERRERA: Boo Boo told him like that ay.

12 CHS: And what did he s-tell Boo Boo?

13 HERRERA: Nothing. Just, s-to try it.

14 CHS: I'm surprised he- they even let him out. I didn't even know he
15 was there. I'm surprised they let, him out to be honest.

16 HERRERA: I think Boo Boo was, just saying that after because, he was
17 trying to, make himself right know what I mean? But in the end he
18 wasn't; if they would've been the other way around that vato would've
19 been right there with him. Regardless or whatever. That fucker, was
20 giving him skeena bro.

21 CHS: What did Alex tell him?

22 HERRERA: Alex is just like chh there's nothing, no one could done
23 for him ay. That fucker everyone seen that shit. Sh that fucker
24 was screaming when they hit him in the head. Owwww!

25 CHS: I wonder why he was screaming if that dude was just fighting
00022:01 with him?

02 HERRERA: I think he got stabbed ay. Honestly. And he was healthy.

03 He was working out. That fucker was big no? And that little guy's
04 small. (stutters) guy, a la verga, a la verga Jackie Chan.

05 CHS: Who was he working out with?

06 HERRERA: Chhh, with them down there like, uh,

07 CHS: Doing burpees and shit?

08 HERRERA: No. Not burpees but like, dips and push ups and legs
09 and shit.

10 CHS: Was he getting big?

11 HERRERA: Yeah he was pretty healthy. And he had weight on him.
12 Fuckin eating like fuck.

13 CHS: Is he all gray?

14 HERRERA: Yeah and then he was lending us think so, everybody was
15 there with him. You know what I mean? Showing him love like fuck

DISC 32191-32251.Redacted.Transcript of bod rec btwn CHS & C. Herrera(2-27-16 thru 4-28-16).0730_035F

16 just to get what we have.
 17 CHS: What did he have, subs?
 18 HERRERA: (UI) Tiny was and there was a lot to get no love. Even he
 19 didn't know nada.
 20 CHS: Was he getting subs?
 21 HERRERA: Yeah. He thought he was [laughs]
 22 CHS: Hmm. Mmm.
 23 HERRERA: Pobrecito ay. And then he went to the hole. No one
 24 could help him. They're chh, fucking Alex told him to sss
 25 "there's nothing I could do for you bro."That chh,
 00023:01 CHS: He was short timing it. (stutters)
 02 HERRERA: Yeah I know.
 03 CHS: He-
 04 HERRERA: (UI) right after that.
 05 CHS: Did he have parole or anything?
 06 HERRERA: I don't know. That's just the rollo that I had found out
 07 like a while back b-by Dreamer. (UI) I don't even know where the
 08 fuck he's at or what the fuck bro. (UI) too huh?
 09 CHS: Huh?
 10 HERRERA: I was looking at that catalog.
 11 CHS: 0-over here you can order them C-L twenties.
 12 HERRERA: (UI) here, earbuds. C L twenties. Calibrated electronics.
 13 (UI). You may need to get the razors too huh?
 14 CHS: Yeah.
 15 HERRERA: I don't have it like that ay. Fuckin, twenty seven dollars
 16 bro a la verga.
 17 CHS: For what kind of razors?
 18 HERRERA: The (stutter) Conairs.
 19 CHS: What's that electric razor?
 20 HERRERA: Yeah.
 21 CHS: I wouldn't order nothing till I find out where they're gonna
 22 take you. You order it and then they don't let you have it?
 23 HERRERA: Chh. I know I don't know what the f -I think too, you know
 24 they-they s-
 25 CHS: They didn't a-question you or nothing when they brought you over here?
 00024:01 HERRERA: Fuck no. I wouldn't even rap to them fuckin cops ay. I don't
 02 know though. I don't (UI)-
 03 CHS: (overlap) It's a good thing to listen to em like when they question
 04 you it's a good thing to listen to their questions that way you know,
 05 kinda what they're trying to look into no?
 06 HERRERA: That's what my mom told me too (UI)-
 07 CHS: (overlap) Instead of saying, (stutters) I went in there every
 08 time they'd call me to STG I wouldn't make a big ol deal I'd just go
 09 over there and listen to what they have to say and then I would come
 10 back and say, "Yeah they're asking me this and that" and you can tell
 11 kinda what they're looking into no?
 12 HERRERA: Thinking that too. Maybe they'll give him this week aver.
 13 I don't know.
 14 CHS: Well STG has to know you're here que no?
 15 HERRERA: No but that chh, another thing too they could just, they
 16 could just be fucking with me you know what I mean like, lock him
 17 down and.... I-I thought honestly, what happened lately is what I
 18 was thinking is, they went and did my mom's pad and (UI) have her under
 19 investigation, so I think they just went ahead and locked me down,

DISC 32191-32251.Redacted.Transcript of bod rec btwn CHS & C. Herrera(2-27-16 thru 4-28-16).0730_035F

20 to fuck with me. You know what I mean? Just playing little games ay.
 21 CHS: Like psychological?
 22 HERRERA: Yeah. Fuck em. They don't have nothing. They went and tried
 23 to fuckin get me my mom on a sale, they couldn't do that.
 24 CHS: How did they try that?
 25 HERRERA: Because two vatos went over there trying to score.
 00025:01 CHS: Well, (stutters) she didn't sell em nothing so how can they try
 02 and get her?
 03 HERRERA: And then another thing that kind of, I haven't brought it
 04 up to my rucca no? She hadn't mentioned nothing, that means that
 05 she will. She told me that (UI) went to go see her, that, she
 06 hadn't brought it up or nada. I-I was gonna wanting to ask her
 07 this morning but I didn't I just said you know what? I'll just
 08 wait, wait it out. And see her in the visit then ask her. I was
 09 looking, I wanna see her expression on her face and her eyes
 10 know I mean? See if she's lying to me. Because, supposedly
 11 (phonetic) they-two vatos went to my mom's pad, asking for a
 12 vato named, Stee. Alright. Supposedly when they left, they wrote
 13 down my mom's license plates. Maybe she could just be paranoid
 14 or whatever. Ok. The coincidence is, is the vato named Stee is
 15 the detective that went to see her. But she wasn't at, es que
 16 he went to her work.
 17 CHS: I know you told me they went, the juras wouldn't go over there.
 18 HERRERA: But this rucca doesn't know nothing. She don't know fuck
 19 and maybe they went and prolly scared her and told her you know what?
 20 CHS: Yeah they'll tell her but, (stutters) she still, she still talks
 21 to you and she-so they didn't scare that bad.
 22 HERRERA: But-but she asking me some stupid ass question and I'll snap.
 23 CHS: I remember they went and told the peg leg, a long time ago they
 24 went and told the peg leg he's gonna kill you. There's nothing we can
 25 do but, we already have information, that he's gonna kill you so,
 00026:01 (stutters) we don't have nothing to keep em he's gonna get out and
 02 kill you unless you can tell us something about him. And-and they
 03 were trying to get-
 04 HERRERA: (overlap) (UI).
 05 CHS: her, they were trying to get her to set me up with a gun huh?
 06 You just tell us when, huh?
 07 HERRERA: I worry more about my wife no? This rucca doesn't know
 08 fuck. Even if they were to approach or whatever. She tried to
 09 ask me some stupid ass questions-
 10 CHS: No I'm saying they'll ch-jus try to scare her to just take
 11 away your skeena you know?
 12 HERRERA: Yeah.
 13 CHS: Not that she knows anything just to take away-
 14 HERRERA: (overlap) But-
 15 CHS: your skeena.
 16 HERRERA: Not only that, I don't know uh-chh.
 17 CHS: That's what they're-
 18 HERRERA: (overlap)(UI) bro. We'll find out. But ch you know it's like,
 19 they act like they're doing something, for- already immune
 20 to this type of living you know I mean?
 21 CHS: I'm not.
 22 HERRERA: Whatever.
 23 CHS: [chuckles]

24 HERRERA: Regardless if they-they do come or whatever, that they put
 25 me in this cell, like nine years, I'll be- I'll be leaving. If I do
 00027:01 go home if I don't I don't but nine or ten more years, I could do
 02 it in the cell it's nothing. It's chafa.
 03 CHS: Shit. Ten years-
 04 HERRERA: (overlap) (UI)
 05 CHS: is,
 06 HERRERA: I do.
 07 CHS: Ten years is a long time.
 08 HERRERA: But yeah you know what I mean?
 09 CHS: Ten years is a long time to pick up some more time. [chuckles]
 10 HERRERA: Yeah I know. I don't really give a fuck be honest you
 11 know I mean? But, that's what I see in it.
 12 CHS: How long have you been down now?
 13 HERRERA: Sixteen years. And all of its in the hole.
 14 CHS: [laughs]
 15 HERRERA:[laughs] Fuckin puto.
 16 CHS: [laughs]
 17 HERRERA: It's not funny ay. At first I (UI)-
 18 CHS: (overlap) Oh! You never even get, you never get to the main, to
 19 the south or nothing when it was population?
 20 HERRERA: Yeah.
 21 CHS: Yeah?
 22 HERRERA: Yeah for a while.
 23 CHS: Where were you at at the main? [someone yelling]
 24 HERRERA: When you were in f-member I was in cell block four? The
 25 hole when, when you were in cell block three with fuckin Scooby.
 00028:01 CHS: You were in cell block four?
 02 HERRERA: Yeah when it was the oyo.
 03 CHS: Oh when it was the hole?
 04 HERRERA: Yeah.
 05 CHS: What side of it was the hole?
 06 HERRERA: There was (UI) on the north and south side. You were there.
 07 You-you were rapping with Patas member? You fuckin, you would send
 08 the linea once in a while?
 09 CHS: What happened to patas?
 10 HERRERA: I don't know. Fuckers a fuckin,
 11 CHS: They shot, they killed him huh?
 12 HERRERA: Yeah.
 13 CHS: That little fucken restaurant. I member that on the news except
 14 I don't remember his name but yeah.
 15 HERRERA: Yeah it's fuckin like I said ay. All of this (UI) this fucker time
 16 I've been in the hole bro.
 17 CHS: A la verga (stutters)-
 18 HERRERA: Since I was there,
 19 CHS: At least I got, I did a lot of that-
 20 HERRERA: Right after I got there in Cruces when you, and I guess

 14 Shadow know- They have to give information or something?
 15 HERRERA: (overlap) Yeah! Straight up. You just don't go to that program bro.
 16 The reason,
 17 CHS: Who said that?
 18 HERRERA: (overlap) Not only that, after that, they told Bernie, you go
 19 to the fuckin north and then they like, they um,
 20 CHS: Did they try to send Fernie to that program?
 21 HERRERA: No. Member I told you that we were rapping over there? And we
 22 started thinking well let's all-all fuckin renounce. Let's just all
 23 go to that programa and do a desmadre ay. Make them look fucked up
 24 so they could shut down the program, and, shit like that no?
 25 CHS: Yeah.
 00032:01 HERRERA: It didn't work out like that. Fernie came back and said, "Chale."
 02 CHS: Well did Fernie even know then?
 03 HERRERA: Ok. They fuckin were, he was just asking what that program
 04 was about like, like if wanted to no?
 05 CHS: Yeah.
 06 HERRERA: Thinking about it or something. State prolly got all happy.
 07 CHS: And what did they-what did they say he came back and said what did he say?
 08 HERRERA: That they have to give info. They have to tell, like a mission

 10 CHS: Tell em, tell em I know who killed Mosco. [laughs]
 11 HERRERA: It's crazy rollo bro.
 12 CHS: [sighs]
 13 HERRERA: That's why I say, those fuckers, you know Juanita, I have respect
 14 for that fucker bro. Cause he's been locked down, since ninety eight (UI)
 15 like that in the federal system system for years bro. And now fuck
 16 around he tapped out Baby Rob with another one, but it couldn't happen.
 17 They just broke him bro.
 18 HERRERA: They didn't have (UI)-
 19 CHS: (overlap) Do you think, do you think Robert's getting information

 21 HERRERA: Chh, I don't know. I don't know.
 22 CHS: Was he feeling the heat orb- did he think people were gonna
 23 hit him or what?
 24 HERRERA: Yeah. He was feeling it bro. That's why I don't think he
 25 was wanting to come out he- every time it was time to go, not
 00033:01 only that but I- you know I could've had my (UI) with him, like
 02 even Juanita. Me and him were talking, they (stutters) they shut
 03 down the program they were letting out everybody. He was the

03 HERRERA: (UI). Huh? Fuckin (UI).

04 CHS: Hey.

05 HERRERA: Hey. Huh?

06 CHS: How, how did they know, that Crazo's, been ta-Crazo turned fucked up?

07 HERRERA: That what?

08 CHS: How do, how do vatos know that Crazo turned fucked up?

09 HERRERA: Cause I know.

10 CHS: How?

11 HERRERA: Because, fuckin left too.

12 CHS: Oh he left? Yeah.

13 HERRERA: Ask your lawyer.

14 CHS: Is he a-is he in on, he-he, what's his real name?

15 HERRERA: Uh.

16 CHS: Oh he's not on my indictment.

17 HERRERA: Fuckin um, no he's not on the indictment but he's dirty.

18 CHS: How much time-

19 HERRERA: (overlap) (UI) fuckin set him up ay.

20 CHS: Huh?

21 HERRERA: Yes he was involved. I guess Walt found out I only rap when
22 he heard about that cause he left no? See the funny thing, the vato
23 disappeared.

24 CHS: Yeah. How long ago?

25 HERRERA: Fucker was at,

00041:01 CHS: How long ago?

02 CHS: Was he-

03 HERRERA: Once Baby Rob did, he did.

04 CHS: Was he doing a life sentence?

05 HERRERA: Uhh, I don't think so.

06 CHS: That was Arturo's buddy huh?

07 HERRERA: Yeah. Then after that some other fucker went. Uh, Swamp

08 sent word just matter of fact like not even days before I came

09 over here Swamp said, that I guess he got palabra from the

10 homies cause there's vatos over there from Spana (UI), and I

11 guess one of em get into dope, and they were saying that, that

12 fuckin Goat said that the one who set him up was fuckin Crazo,

13 and Sammy Griego. Whatever. Whatever. Like I said, see that

14 motherfucker was in here so,he punked uh, Baby Rob must've had

15 Crazo out fuckin sending palabra for him ay. To the libre. That's

16 how fuckin Cray-that's how I guarantee the fuckin Feds came.

17 They fuckin seen Crazo (UI)-Crazo was prolly sending the fucking

18 palabra,to fuckin Sammy out there on the streets for fuckin Baby Rob.

19 CHS: How?

20 HERRERA: (overlap)(UI). That's how I'm thinking how, they fuckin

21 scared fuckin Crazo.

22 CHS: Was-was Robert, was Robert and, was Robert and Shadow talking

23 to Crazo on the phone? I mean uh, wherever?

24 HERRERA: Big Shadow?

25 CHS: Mm-uh yeah.

00042:01 HERRERA: I don't know. I-I, that's what my guess is no? You just put

02 two and two together think about it. The only people in the fuckin
03 worked in that unit because they had everybody together.
04 Everybody, was in one unit. They had us separated supposedly
05 from everybody else in there. I was in Cruces when we were
06 getting (UI) here. They had Marijuana, they had Spider, they had
07 Blue. They had two, two pods no?

08 CHS: Was Shadow and Robert together in the same pod?

09 HERRERA: And he's from Clovis so that's Marijuana's homie. They're
10 from fuckin Clovis ay. And that's why I'm thinking. I put two
11 and two together think about it. He was there with fuckin Baby
12 Rob, and he was the one guarantee you he was fuckin over there
13 sending fuckin word. To fuckin Sammy. See because Goat said that
14 fuckin Sammy and fuckin Crazo are the ones that set him up. [pause]

15 CHS: How-

16 HERRERA: (overlap) How in the fuck would Crazo set him up?
17 He wasn't here. He wasn't on the streets. So that's another
18 thing that I don't know-I- kinda but what-it don't make sense to
19 me. If he's in here how in the fuck [background noise]

20 CHS: Shad-

21 HERRERA: (overlap) (UI) to informants to juggle.

22 CHS: Sammy's on the streets.

23 HERRERA: Huh?

24 CHS: Sammy was on the streets wasn't he?

25 HERRERA: Yeah but I'm saying, how are they gonna have an informant
00043:01 to live here working with an informant out there and knowing

02 each other? You-

03 CHS: (overlap) Let me close the back.

04 HERRERA: That shit doesn't make sense.

05 CHS: I gotta keep an eye, I gotta keep

06 HERRERA: (overlap) (UI).

07 CHS: an eye on my water.

08 HERRERA: I know-see-that-then not only that, Crazo disappeared and he
09 was in contact with Marijuana, and then I guess when he had called
10 his rucca, next thing you know she started acting different you
11 know I mean?

12 CHS: Who, uh, Crazo's rucca?

13 HERRERA: Yeah like started acting different. Next thing you know,
14 he-they didn't keep in touch. He just ct-disappeared. And that's
15 who started finding out then not only that, it just, everyone just
16 started snapping. Crazo somethings up but Crazo what's up with Crazo?

17 CHS: How long ago was that?

18 HERRERA: (overlap)(UI) bounced no one knew-

19 CHS: (overlap) How long-how long ago was that?

20 HERRERA: Let's-uh, when I was in Cruces like last year. We just
21 barely got over here in February..... No January about the end of
22 January. Bout the begin-end of Jan-well, middle of January is
23 when we draw-February's when (UI)-

24 CHS: (overlap)Where's Big Shadow at?

25 HERRERA: He's in the Feds.

00044:01 CHS: Where?

02 HERRERA: Somewhere. We don't know. I'm not gonna go over there-I
03 don't even wanna mention no names or noth-f- the only thing, I'm
04 able to fuckin just, throw a little bit of rollo communication
05 here and there. [background noise] I'm not gonna be asking for

DISC 32191-32251.Redacted.Transcript of bod rec btwn CHS & C. Herrera(2-27-16 thru 4-28-16).0730_035F

06 all the (UI). Even-even at the visits at the south we can't even
 07 throw rollo because those fuckin phones, are new models. Those
 08 fuckin phones have recording devices in em. And the fuckin cameras
 09 have recording devices. They have I don't (UI) understand (UI) bro.
 10 CHS: Yeah they're waiting for-
 11 HERRERA: (overlap) Not only that those (UI).
 12 CHS: They're trying to get ready for another one of, (stutters)
 13 the things that were happening in Cruces. [laughs]
 14 HERRERA: You know what I mean?
 15 CHS: Yeah.
 16 HERRERA: In Cruces I was able to throw rollo because there was
 17 no, there was those fucken phones (UI).
 18 CHS: No but like, like when people go to the visit they could try
 19 to find out luk-had their rucca look at where Shadow's at, Big Shadow.
 20 HERRERA: Fuckin, if I get a shots I'll help, you know I will.
 21 CHS: Oy.
 22 HERRERA: Know what I mean? But I-I'm not really worried where that
 23 fuckin creeps at ay.
 24 CHS: I was just wondering where.....
 25 HERRERA: You know what I mean?

00045:01 CHS: Yeah.
 02 HERRERA: That's guaranteed. That's how I think they fuckin (UI) fuckin
 03 (UI). Cause he's over there fuckin dealing with Crayzo. He was (UI).
 04 CHS: Who, Robert?
 05 HERRERA: Baby Rob. But he started getting like that but he had
 06 all kinds of gastos behind him.
 07 CHS: Like who?
 08 HERRERA: Chh Crayzo. Then they were es que they were reaching
 09 out to, to Red to, in other words to go over there to discuss
 10 what he did, as long as they have a rider. That's where Baby Rob
 11 was fucking up bro. He started reaching out. We found out that
 12 he was reaching out to all the drop-offs. And then he was
 13 contacting (UI) too. Come on bro.
 14 CHS: On the streets?
 15 HERRERA: Yeah. They act like if we don't know these things
 16 bro. Like if we weren't hearing nothing over there. That
 17 fucker was making himself look chafa. Some-for some reason he
 18 got scared of fucken, and he dropped out from (UI) ay.
 19 Baby (stutters) Rob fucking shown him something, where he fucked
 20 up and- and he knew. That now it's either that, or gi-give-give
 21 him like a roster.
 22 CHS: Were people already talking about hitting him?
 23 HERRERA: Huh?
 24 CHS: Were people already talking about hitting Baby Rob?
 25 HERRERA: No but just, just,

00046:01 CHS: And he wasn't, he- I was wondering what he was feeling no?
 02 HERRERA: He didn't have support then-t-then we were finding out
 03 that he was reaching out to fuckin Sammy. That we found out he was
 04 doing that.
 05 CHS: He's-
 06 HERRERA: Even the (UI) after what he was doing. He went up there
 07 fuckin got at Sammy and I know he went and had Crayzo fuckin
 08 keeping in touch with Sammy, and he needed to get that
 09 wheela.They-they've got a kite and everything. Two letters

10 supporting (UI) two letters that were intercepted. And they went,
 11 and this is what happened right? Fuckin Sammy went, and the FBI
 12 approached him. Already had a case against him and told him look,
 13 "You need to sit up and speak your (UI) or you're done."
 14 CHS: And they-you think-
 15 HERRERA: (overlap) (UI)
 16 CHS: You think those other dudes were, that were, those are the
 17 ones that are trying-
 18 HERRERA: (overlap) (UI) that's what I think happened to Crayzo.
 19 They went and told him "You know what? We have fuckin phone
 20 conversations when you were fuckin putting a hit,
 21 CHS: I'm-
 22 HERRERA: (overlap) we're gonna hit you with this fuckin case
 23 right here."
 24 CHS: On Martel?
 25 HERRERA: On Markel. He fucked up. I-I know that's what happened
 00047:01 because (stutters). No-
 02 CHS: (overlap) Yeah that's,
 03 HERRERA: (UI)-
 04 CHS: (overlap) that's what started it all for sure. That's,
 05 HERRERA: That's how they got Shadow because, the only ones were
 06 here were Baby Rob, Shadow, Crayzo, um, J.R.'
 07 CHS: Oh.
 08 HERRERA: Everybody was already gone. Everyone-they- they got,
 09 they got hit with this, they-they put on that case after.
 10 CHS: What kind of letters were intercepted? Talking all kinds of shit?
 11 HERRERA: I don't know. That's just what I heard.
 12 CHS: They x-send them in the inmate mail?
 13 HERRERA: Yeah. [pause] That's where he fucked up though. That's how
 14 we (UI) to Shadow. Wh-it was just him and Shadow at the north.
 15 And- and fuckin Crayzo.
 16 CHS: So don't fuck-
 17 HERRERA: (overlap) (UI) even know,
 18 CHS: Them fuckers,
 19 HERRERA: (UI)-
 20 CHS: (overlap) them-
 21 HERRERA: Crayzo's there solo,
 22 CHS: Robert and Shadow hashed stf-fucker all by their selves?
 23 HERRERA: Huh?
 24 CHS: Ro-uh-uh, uh Robert and Shadow hashed that up all by themselves?
 25 HERRERA: Yeah they're,
 00048:01 CHS: (overlap) [chuckles]
 02 HERRERA: They were in the north.
 03 CHS: A la verga.
 04 HERRERA: That's just what I heard on all that rollo though. I know
 05 that's just (UI)-
 06 CHS: (overlap) Yeah but if they're by themselves,
 07 then that-that's them you know what I mean?
 08 HERRERA: Yeah I know. But if they don't, that's just not the way
 09 it works though. Because of them, being tied to us, what
 10 you-what you have to do, is to say, "Those fuckers are fuckin
 11 psychos. They're fuckin on medication. So why in the fuck am I
 12 getting charged with these idiots? I didn't have nothing to do
 13 with that."It just sucks because this is what, goes on with

14 this RICO shit.
 15 CHS: Mm yup.
 16 HERRERA: At least somebody goes and does something, being tied
 17 to an organization and being called like idiots. They'll say,
 18 the only way that could've got done was by a (UI). It's chafa.
 19 That's some fucked up shit bro.
 20 CHS: Shit Robert I'm glad Robert and Shadow never called me. [laughs]
 21 HERRERA: Chh. I'm telling you bro I-
 22 CHS: (overlap) No-no-no-s-eh-
 23 HERRERA: (UI)
 24 CHS: (stutters) Robert did call me but he only asked for feria. He
 25 said that he needed money to buy a tv no?
 00049:01 HERRERA: I gave him nothing.
 02 CHS: That he needed two hundred and some dollars and I said shh-
 03 HERRERA: (overlap) (UI)
 04 CHS: how I, I told him I could prolly send you twenty dollars I ain't
 05 got it like that. An-
 06 HERRERA: (overlap)That don't mean nada though.
 07 CHS: and I sent him twenty dollars. Yeah that's the only time I heard.
 08 [chuckles] I guess he was pissed off cause I only sent him
 09 twenty dollars but,
 10 HERRERA: Well that was bad bro that, chhh. I-I-I already know.
 11 They were (UI) bro. That's what they this fuckin, knowing that idiot,
 12 he bounced. He doesn't have a way to communicate with the streets.
 13 Not unless he was calling it. Like Red, Baby Rob ain't that stupid.
 14 He was gonna how could he have did it? Crayzo's rucca's from Santa.
 15 Know what I mean?
 16 CHS: Fuck.
 17 HERRERA: I know my-I didn't know her but Shorty knew her too
 18 nuh? Her name's Grace.
 19 CHS: Well let me check my water a la verga. [background noise]
 20 Aye yi yi.
 21 HERRERA: Huh?
 22 CHS: That, fucker's boiling. Owww! Dammit man. Fuckin [laughs] I was

 00050:01 Wooo! Fuckin shits hot buddy. Uhhhh! [pause] Oooooeeee! [water]
 02 I'm gonna fill my tub with water and throw the stinger in there.
 03 [laughs][pause] Ok. Hey.
 04 HERRERA: Hey.
 05 CHS: Aye! Now my soup is cooking now I'm making a coffee. And then
 06 I'll send it to you. That fucker was boiling I'm over here talking
 07 its boiling.
 08 HERRERA: Yeah. Ay.
 09 CHS: Hey.
 10 HERRERA: Huh? Fuckin (UI) fool. Not even listening.
 11 CHS: We're fucking done.[pause] Damn ese.
